Wild Card Oct 2023

Clemson University / CUHackit

Private Pilot Certificate Sep 2022

FAA

Summary

I am a senior majoring in Computer Science, double minoring in Math and Physics, and a member of the Honors College. I have worked as a TA for over two years and hold a pilot's license with 80+ hours of flight time. In my academic career, I used C to create a memory allocator and threading library, configured and consistently used a Linux-based OS for my coursework, and used the JDBC API to connect a Java app to a SQL DB.

Education

Clemson University

Bachelor's • 4.0 GPA

Computer Science

Aug 2023 - Dec 2026

I am on track to graduate Summa Cum Laude with a General Honors Distinction and a double minor in Mathematics and Physics.

Experience

TD Synnex

Clemson, SC
