SUMMARY OF QUALIFICATIONS

- Computer Science senior with industry experience in software engineering and demonstrated leadership capabilities
- Versatile technical foundation spanning numerous programming languages, Linux environments, and cloud platforms

EDUCATION

Clemson University Aug 2023 — Dec 2026 (expected)
B.S., Computer Science *Summa Cum Laude (expected)*

- On track to graduate with a 4.0 GPA, a double minor in Mathematics and Physics, and a General Honors distinction

WORK EXPERIENCE

Capstone Intern Aug 2026 — Present
TD Synnex *Greenville, SC*

- Create a RAG-backed Microsoft Azure support agent that references trusted documentation
- Implement a custom escalation path to a human support agent for unresolved issues

QA Engineer Intern May 2025 — Present
Amwins *Charlotte, NC*

- Utilize the ACCELQ test automation software to maintain a suite of 100+ test scenarios
- Leverage JavaScript skills to reduce test complexity and shorten test runtime across five applications

Head Teaching Assistant (TA) Aug 2024 — Present
Clemson University (CPSC 2310: Introduction to Computer Organization) *Clemson, SC*

- Lead twice-weekly lab sessions, assist the professor with grading, and host in-person office hours

SKILLS

- **Programming Languages:** C, SQL, C++, Java, Python, JavaScript, Go, Ruby, C# (.NET), R, MATLAB
- **Technologies:** Git, Linux-based OS, Docker, AWS, Azure

PROJECTS

Tiger Tracker (lnk.gcpins.dev/tigertracker) Clemson "CUHackit" Hackathon / Feb 2026

- Engineered a full-stack web application that interfaces with a Raspberry Pi to display real-time building occupancy data

AltSpeakify (github.com/GCPins/AltSpeakify) Clemson "CUHackit" Hackathon / Mar 2025

- Developed an accessibility-focused browser extension powered by computer vision that generates alt text for images

cscope (github.com/GCPins/cscope) Clemson "Hello World" Hackathon / Oct 2023

- Won the "Wild Card" award; built a GUI tool that allows students to locally manage homework submissions to Gradescope

ADDITIONAL WORK EXPERIENCE

Organizer Mar 2026 — Aug 2026
CUHackit / Clemson University's student-led hackathon *Clemson, SC*

Instructor Apr 2021 — Jan 2023
Mathnasium / K-12 math learning center *Fort Mill, SC*

SPL (Senior Patrol Leader) Apr 2019 — Apr 2020
Troop 250 / Scouts BSA *Fort Mill, SC*

EXTRACURRICULARS

Private Pilot's License (lnk.gcpins.dev/pilotslicense) Sep 2022

Eagle Scout (lnk.gcpins.dev/eaglescout) Feb 2021
